Case Study

TRUCK CHARGERS & BATTERIES.

Case Study DC MICRO GRID FACTORY.

Schaltbau is collaborating with BLIXT since August 2022 with objective to use BLIXT DC solid state circuit breakers in the CO2-free NExT Factory and for commercial roll-out of DC breakers.

Case Study DATA CENTERS.

Pilot installation in RISE ICE data center in Luleå, Sweden. BLIXT Zero SSCB is monitoring servers to detect faults and enable predictive maintenance.
